MEMORANDUM FOR: Director of Personnel

SUBJECT : Delegation of Authority for Short Term Extensions -  
CIA Retirement and Disability System

1. It is my understanding that in your meeting with Col. White on 6 September, he asked for more information before granting an approval to the extension of your delegation of authority to continue persons beyond the mandatory retirement age. I would appreciate your confirming this understanding.

2. I also have a note to the effect that it is the desire of the Executive Director-Comptroller that all participants whose creditable service is based on domestic duty be approved by the Director of Central Intelligence. The Director would hope thereby to get a feeling for the criteria applied by the Board. I would suggest that this be discussed at an early Board meeting.
